Sevenoaks is joining with our family of churches (the C&MA in Canada) to bring relief to this earthquake-devastated country. Today we will take a special *Offering for Haiti*, in lieu of our monthly Community Care offering. Donations received will be matched dollar-for-dollar by the Canadian government. Currently, such donations being made across the country amount to some \$70 million – with double that amount going to Haiti to provide needed support and supplies. Your donations can be made directly to Sevenoaks and marked “Haiti Relief.”
