EMBRACING OUR FUTURE

To Know Jesus and To Make Him Known

the history

In 1971, when the Sevenoaks congregation purchased this land to build a new church on Gladwin Road, they had no idea it would end up being right in the middle of the city . . . but God did.

Over the years, we've had the opportunity to meet and worship here and to witness the nurture of individuals and families in their faith journeys. We've also had a unique opportunity to reach our city through initiatives and programs including Abbotsford Connect, Clothesline and the Addiction Recovery Ministry.

the vision

We believe that God led us to this property and we plan to stay!

As we press into the future with our new statement of vision - To Know Jesus and To Make Him Known - we do so with a renewed sense of place and identity.

After nearly five years of prayer, discernment and conversation, we have explored options, garnered opinion, watched God close doors and open up new ones. We are convinced that we need to renovate our facility for years of ministry ahead.

the plan

We plan to renovate our facility in a multi-phase, multi-year approach.

The condition of our Youth Centre roof dictates that we start there. This is the oldest part of our facility and yet a much used space we don't want to lose!

Phase One will therefore involve replacing the roof and renovating the interior. This will give us a structurally sound and beautiful multi-purpose room that can continue to be used throughout the week for a growing variety of ministries.

Please remember, support for this project should be over and above regular giving.
