Church Family,

In order to help everyone learn the songs we sing in our Sunday morning worship services, we have started a database on the church website using an online music player called *Spotify*.

Go to www.sevenoaks.org & click on the *Media* tab. A drop-down menu will appear with *Sermons*, *Bulletins*, & *Sunday Songs*.

Click on *Sunday Songs*.

It will take you to a *Spotify* playlist of songs we do.

While this only acts as a preview (about 30 seconds of each song), if you want to play the full song, you will have to create your own free *Spotify* account.

Go to www.spotify.com & follow the directions to create an account. Once you have done this, you will be able to play the church playlist on your own *Spotify* account.
